

Miss LaFontaine Weds David Marquardt

Miss Grandolyn Ann LaFontaine, daughter of Mr. and Mrs. Clifton Owen LaFontaine of Bay St. Louis, became the bride of David Keith Marquardt, son of Mrs. Doris Marquardt, also of this city, Saturday afternoon in St. Clare's Catholic Church, Waveland.

Rev. Walter Maloney, pastor, performed the double ring ceremony before an altar decorated with arrangements of white gladioli and greenery.

Mr. F. E. Fowell, organist, played the wedding march and a program of appropriate selections during the ceremony.

Given in marriage by her father, the bride wore a white silk crepe dress fashioned on a long-line train trimmed with lace.

re-embroidered with sequins. For escort of the bride, a white orchid corsage completed her ensemble.

Miss Lynette LaFontaine was her sister's maid of honor and Neil Marquardt served as brother of the groom.

Following the ceremony a reception was held in St. Joseph's Academy auditorium.

The bride's kiosk, overlaid with a white lace cloth, was decorated with open sugar roses topped with a miniature bride and groom.

Yellow blossoms and ferns encircled the bottom tier and Crystal chandeliers holding white tapers were on either side.

The bride, a graduate of Bay Senior High School, is employed at Pass Christian Industrial, Inc.

The groom attended Bay High and received his diploma from Piquette High School. He is presently employed with Gulf Paving Company.

The couple will make their home in Bay St. Louis.

MR. AND MRS. ROBERT L. GUNION OF DES MOINES, IOWA ACCEPT DELIVERY OF THEIR NEW CHEVY FROM LAMAR-LANE CHEVROLET.

Mr. and Mrs. Robert L. Gunion of Des Moines, Iowa were passing through and had a bad accident with their car. They were in trouble as they didn't have time to wait and have their old car repaired. They were told about Lamar-Lane Chevrolet, so they visited them and were greeted by courteous salesman Joe Bormann, who right off made them feel at home even though they were many hundreds of miles from home. Mr. Gunion, a retired employee of Piretine Rubber Company really liked the way Joe Bormann handled the transaction with him and Mrs. Gunion, and they were very pleased with the Lamar-Lane sales given them by Joe Bormann. Bormann's motto was difference as to where a customer of Lamar-Lane came from, the first thing they try to do is make them feel right at home. If you're thinking about the purchase of a new car or truck, visit Lamar-Lane Chevrolet and ask for Joe Bormann, he could save you many dollars. LAMAR-LANE CHEVROLET, INC. MR. ROBERT L. OUR OPINION

A Tribute To Public Officials

Two of our county officials are to be congratulated for their public support of the General Electric concept for Hancock County. Russell Elliott, president of the Hancock County Board of Supervisors and J. C. Maunfray, supervisor of beat 4 openly stated Monday night at a sponsored Hancock County Chamber of Commerce showing, that they supported the recently released General Electric Company presentation of a workable plan for the county's future.

With the financial conditions of our county at a definitely low ebb, such support from elected officials is commendable. Now is the time for political bickering to halt, so that we can move forward with programs that will benefit all the people of the county.

Other public officials within Hancock County should analyze the needs for uniting administrative assignments, in order that our county-wide governments can function better.

Since Camille, much of the tax base throughout the county has been lost, and if we can now unite with positive thinking, Hancock County can and will have a bright future. Now is the time for all officials to evaluate the General Electric Plans and start implementations immediately.

Our readers write

Editor, Sea Coast Echo:

In reference to the letter written by Mr. T. G. Stevens in the May 14 issue of the Echo, we believe that the people living in Bay St. Louis are struggling to make our community a good and pleasant place to live; streets are being paved, all public utilities are in excellent working order, houses are being rebuilt, gardens and lawns restored, vacant lots cleaned, uninhabitable buildings and houses demolished and businesses are being refurbished. This has been accomplished by courageous individual effort hand-in-hand with that of public and private agencies and companies.

We know that there is much more to be done, and it WILL BE DONE. This will require the efforts of everyone of us; we cannot depend on someone else to solve all of our problems. In point of question: along with the rest of the nation, we suffer from an acute litter problem. This blight upon our town can only be eliminated when everyone, man, woman, and child, resident and visitor alike, disposes of his own trash properly. In the meantime, it will take extra effort by those who care to make up for those who don't. Next time, pick up that litter; SHOW your care!

Editor, Sea Coast Echo:

Receiving an Echo from home is always the highlight of the week for me. Recently, however, was very special, for it contained the special edition of the Little Theatre, a place most dear to me.

I hope the edition served to make Bay citizens aware of the treasure they have in the Theatre.

One of the first trips I made when I arrived here in Anchorage, was to the community theatre. I can say without any reservation that the Bay Theatre is better by far. I know I am prejudiced, but the reactor of former plays is evidence that Coast theatre-goers have enjoyed a varied exposure to the theatre, thanks to the efforts of many people.

My experiences with the Little Theatre are some of my greatest memories, so it is with thanks that I add my congratulations on the twenty-fifth anniversary. I hope I will be there in person on the fiftieth, there in person on the fiftieth, there in person on the fiftieth.

Editor, Sea Coast Echo:

The members of the Ole Miss Chapter of Young Americans for Freedom ask the help and support of students interested in establishing a permanent legal services fund for the defense of those Ole Miss students who are the victims of attack by militant students. The fund will also be used to prosecute militants who attack Ole Miss students.

The average Ole Miss student does not have recourse to free legal aid from the North Mississippi Rural Legal Services, an arm of the Office of Economic Opportunity, as do these militants; even though the families of Ole Miss students are being taxed to provide legal service for the militants through the North Mississippi Rural Legal Services.

Therefore, in order to obtain legal counsel as good or better than that which the militants get free by courtesy of our tax dollars, the Young Americans for Freedom are starting this fund.

Freedom are currently underwriting the legal expenses for two Ole Miss students recently assaulted by campus militants. Your contribution to this fund is earnestly solicited. Please send your contribution today to Young Americans for Freedom, Box 3158, University, Miss. 38677.

Hospital Trustees Have Regular Meet

Tuesday night, May 19, the Board of Trustees of Hancock General Hospital held their monthly meeting. Minutes of the last session were read by Ken Caron, and approved by all members. John Rutherford, treasurer, presented the financial statement and the claims docket for the month of April. The Board voted to accept the statement and to pay the docket.

The members also discussed the payment of the Jordan Shearer account, and decided not to take further legal action but to accept the portion of the bill that could be collected.

There was also discussion on the request of William Randall, who asked that a portion of his land which the hospital has a lien on be returned and partial payment made.

A report on the duct work to be done on the hospital was read by Hospital Administrator Blackledge. The Board authorized Blackledge to purchase a stenographer for use in the records department and to seek information on the purchase of a new copying machine.

Members of the Board were informed that the lease on the classroom space across from the hospital would terminate in August and could not be renewed. The Board decided to check into the possibility of using a trailer.

In final action, the Board voted to move the time of the meeting from 8 p.m. to 7:30 p.m.

Pass Christian To Annex Area

The Pass Christian city council, acting on a Pass Christian housing authority recommendation, has adopted a resolution to annex an area north of the city corporate limits.

The area consists primarily of the presently undeveloped Balmoral Subdivision, owned by Mark J. Development Corp., and another small parcel of adjoining land.

Mayor J. J. Wittmann said the area does not presently contain any residences or other development.

A petition of annexation will be filed in Harrison County First Judicial District Chancery Court at Gulfport which must confirm the move before it becomes effective.

Welfare Director Answers Questions

The County Director of Welfare answers below the two questions most frequently asked.

Q. Why doesn't the government insist that people work instead of drawing welfare?

A. In Mississippi there are no money grant programs for anyone below the ages of 18 and 65, except those who are blind or permanently disabled and are unable to support themselves. Able-bodied adults under 65 do not qualify for a money grant. Therefore, a person must be over the age of 65, blind, physically unable to work, or children under age 18 to receive assistance. As one can see these persons are not really employable. Maybe, it should be stated that welfare is not a pension but an assistance program to help meet basic human needs for persons who can not help themselves.

A. Both state and federal law require that assistance go only to the needy. It is impossible to determine need without a look into private business affairs.

Hancock County citizens who have questions about Welfare should send questions they may have to the County Welfare Office, Necaise Avenue, Bay St. Louis. The question and answer will be published in this newspaper.

WORKERS TO MEET
A general meeting for St. Clare's Parish farm workers will be held at 3 p.m., Sunday, May 24, at the church.

CONCERNED CITIZENS of Bay St. Louis are helping to get our city cleaned up. A clean-up campaign was begun last week by our youth in order to make Bay St. Louis a better place to live. A total of 23 bags of garbage was collected on a vacant lot on the corner of Dunbar Avenue and located on a vacant lot across from the A & P Store (l-r) Ned Benvenuti, Tim Kersanac, Mac Kersanac, Ginny Vegas and Hunt Vegas. The youngsters assisted their parents and other interested adults in the cleaning operations that will continue.

Appliance Dealer Views Production

A jet airplane load of appliances dealers from the New Orleans area left Mouton International Airport recently for a whirlwind trip to Westinghouse major appliance production facilities in Columbus, Ohio. Gabriel Fouasson of A-1 Radio and T.V. in Bay St. Louis, Mississippi was among the dealers who made the trip.

In modern refrigerators, freezers, room air conditioners, dishwashers, ranges, washers and dryers Westinghouse produces require huge and complex facilities," said David Oreck, president of the McDonald Sales Corporation, which distributes Westinghouse major appliances in this area. "We have asked many independent retailers to join us on this tour to see some of the most modern, innovative products of the 1970's available to consumers today."

The home appliance dealers, in addition to touring Westinghouse's Columbus Appliance Works, will confer with top management of each of the Westinghouse major appliance divisions. "The opportunity to talk with the manufacturer as well as the distributor gives retailers an opportunity to communicate consumer trends and requirements, as well as to compare the opportunity to join a team that is dedicated to serving the needs of people in the 1970's," Mr. Oreck noted.

After meeting with the Westinghouse officials, the dealers returned to New Orleans via the chartered jet aircraft that brought them to Columbus.

AMERICA THE BEAUTIFUL?
That's the way we found it. Almost five centuries ago. A technicolor world of blue water and purple mountain ranges... green forests and gleaming white beaches. And of course, it still could be that way. One trouble is, some of us get careless occasionally about littering up this lovely land of ours. Little individual acts of tossing and discarding that result in a lot of unsightliness. That's why we hope that motorists, fishermen, picnickers, hunters—all of us, in fact—become antilitter conscious. Let's take the time to preserve the timeless beauty of our country.

Students Participate 'Traveler' Program

The students of St. Michael's, North Bay Elementary and Christ Episcopal Day School in Bay St. Louis have begun participation in the Mississippi Economic Council's "Mississippi Traveler" program. Developed as a means of encouraging elementary school students to visit sites of historical or current interest so as to acquire a greater interest in and appreciation of their state, the program is open to public and private elementary school children through grade six. The program is designed to reach approximately 170,000 elementary students. In announcing the participation of the three schools, John Daniel of Scott, chairman of the MEC's Committee on Tourism, said, "Teachers and school administrators across the state have reviewed the program and have indicated to the Council their belief in the value of the program as a teaching aid." The request for the "Mississippi Traveler" brochures for use by local students came from the principals of the schools. When students participate in the program, they visit a historical site, fill out a questionnaire, and then return the questionnaire to the MEC. They will be awarded the "Mississippi Traveler" brochure by means of a certificate awarded by the Governor and the president of the Mississippi Economic Council. Sites visited between June 1, 1970, and April 1, 1971, may be included in the required visits. According to program rules, which are listed in the "Mississippi Traveler" brochure, when a student has visited the required number of sites his brochure should be returned to his teacher or forwarded to the Council.

William Goodwin Outlines Projects

In discussing 4-H projects William O. Goodwin, Assistant County Agent says: "The Small Engine project offers a great opportunity for 4-H'ers, especially those who are mechanically inclined. Through this project one can learn the basic principles of engine operation. The 4-H'er works with a small engine which can be taken apart and put together again. He learns the importance of proper maintenance, and safety is also learned."

Once you learn how an engine operates, and how to operate and service it, safely, you will enjoy a sense of pride in owning and operating it."

The livestock project has long been a favorite of many 4-H'ers. In this project the 4-H'er usually selects a young animal he feeds, cares for, and raises. The animal may be shown at the Fair in the area. Anyone who needs help in finding, or selecting a project animal should contact the County Extension Office.

"There are many 4-H projects from which to select. All stress the importance of completing a job and by doing it fairly. Project work helps develop good citizenship."

"For information about how you can organize a 4-H Club in your Community, contact the County Extension Office in Bay St. Louis."

In Memoriam

In memory of our beloved
husband and father,
LEONARD FAYRE

On his 72nd birthday died
Sept. 8, 1968.

Your gentle face and patient
smile
With sadness we recall
You had a kindly word for all
And died beloved by all.

You are not forgotten loved
one
Nor will you ever be,
As long as life and memory
last
We will remember thee

We miss you now, our hearts
are sore
As time goes by we miss you
more,
Your loving smile, your
gentle face,
No one can fill your vacant
place.

SADLY MISSED BY WIFE,
CHILDREN & GRANDCHILD-
REN.

In Memoriam

In loving memory of my
husband Robert H. McKean
Died on June 1, 1968.

Do you know that God above
Created you for me to love.
He picked you out of all
the rest
because he knew I loved you
best,
I had a heart, and it was true
But now it's gone from me to
you
Take care of it darling as I
have done
For you have two and I have
none,
SADLY MISSED BY YOUR
WIFE NELLIE.

Mr. and Mrs. Alicia "Ty" Noveck will celebrate their Golden Wedding Anniversary on Sunday May 24th. They will receive their wedding party at 8 p. m. at Annunciation Catholic Church in Kiln. A reception will follow the ceremony at the White Cypress Youth Center. All friends and relatives are invited to attend.

Last Friday night's play "Once Upon a Dream," put on by Annunciation School students, was a great success. Special thanks go to Miss Carol O'Brien, director. She was presented a bouquet of red roses after the play by the students.

This Friday May 22nd has been set for the annual Appropriation Night supper at Annunciation School. It gives the parents an opportunity to express their gratitude to the Extension Lay Volunteers who staff the school along with the sisters.

Tickets are now on sale by most of the students of Annunciation School for the first Athletic Awards Night to be held on Sunday May 24th at 7:30 p.m. in the school gym. A chicken and spaghetti supper will be served in the cafeteria beginning at 5:30. Larry Leary, coach of the Piquette Moron Tide basketball team, will be guest speaker. The public is invited to attend.

Mr. and Mrs. Clarence Batey are sporting a beautiful new black and blue car. They have just recently returned from a trip to Jefferson City, Missouri, and the Ozark Mountains.

Mr. and Mrs. Roy Mitchell of Piquette spent Sunday with Mr. and Mrs. Jerry Mitchell and family.

MRS. ROBERT LEARY JR.

headpiece, and she carried a bouquet of ranunculus and pink roses.

Mrs. Mary Ann Huff, of Newark, Del., served as her sister's maid of honor. Bridemaids were Misses Vicki Scharf, sister of the bride, and Susan Marek of Ft. Dodge, Iowa.

Lee Ann Turner of Marietta was flower girl and Greg Cook, the bride's nephew, of Newark, Del., was ring-bearer. Steven Cook and Jeff Cook, nephews of the bride, of Newark, Del., lit the candles.

Robert B. Leary, Sr., was his son's best man. Fishers were Harold Cook, Newark, Del., and Mike Harper of Marietta. Furnishing a program of pre-nuptial music were Mr. and Mrs. Lindell DeJarnett of Marietta, and John Macek of Ft. Dodge, Iowa.

Nancy Huff of Marietta kept the bride's book at the reception in the church parlor immediately following the ceremony. Assisting in serving were Misses Karl Barkhaus, Ft. Dodge, Iowa, the bride's aunt; Clifton Leary, Elkin, N. C., the groom's aunt; Ernest Cribb, Marietta; John Macek, Ft. Dodge, Iowa; and Bob Turner, Marietta.

MISSISSIPPI POWER COMPANY'S
HOUSEPOWER PROGRAM
MAY HELP YOU

SAVE UP TO \$75
ON SERVICE ENTRANCE WIRING COSTS

Many homes, old and new, have "low housepower" because the customer-owned entrance wiring into them is too small to provide sufficient voltage for the electric appliances which make life more comfortable and enjoyable. When your home has "low housepower," electric appliances and equipment cannot operate efficiently. To prevent this, Mississippi Power Company's Housepower Program makes it easy and economical to have full housepower.

Mississippi Power Company will pay from \$40-\$75 to help upgrade service entrance wiring into homes of customers who qualify under the Housepower Program. The customer adds to his home an electric range, quick-recovery electric water heater, electric clothes dryer, or permanently installed electric heating of specified size. Mississippi Power Company provides a modern Outdoor Housepower Box and pays the electrical contractor up to \$75 to install it.

Get all the details about the Housepower Program from your appliance dealer, contractor, or nearest Mississippi Power Company office today!

Buckalew - Shaw Vows Exchanged

Crane Creek Baptist Church was the setting for the wedding May 3 of Miss Linda Buckalew, daughter of Mrs. H. V. Stewart of Poplarville and Troy Buckalew of Derby, Miss., to Keith Shaw, son of Mr. and Mrs. F. H. Shaw of Crane Creek.

Rev. William Proctor performed the double ring ceremony before an archway of white blossoms and greenery. Mrs. Paula Nozick, organist, accompanied Mrs. Mary Emma Stewart, who sang the Wedding Prayer and More.

Given in marriage by her step-father H. V. Stewart the bride wore a white gown with lace bodice and a full length lace train. Her short veil of illusion fell from a head piece of silk and lace flowers and she carried a cascade of red roses centered with a white orchid.

Miss Debbie Buckalew was her sister's maid of honor. Bridesmaids were Mrs. Sue Ladner and Mrs. Barbara

Knight. Miss Lisa Harrington served as flower girl and Joey Carriga as ring-bearer.

The maids and flower girl wore gowns of yellow peon de cote with matching pill boxes and carried bouquets of red roses.

Greg Shaw, brother of the groom, was best man and Wayne Ladner and Aubrey Ray Davis were groomsmen.

Following the ceremony a reception was held in the home

of the groom's uncle, Dr. H. W. Harrington, who resides at Nacales Crossing.

For her wedding trip to Hattiesburg, the bride wore a white crepe dress with matching veil and the orchid from her

bridal bouquet. The bride is a graduate of Poplarville High School and the groom graduated from Hancock North Central. Mrs. F. H. Shaw will make their home in Crane Creek.

MRS. DIXIE ASHMAN ORTIZ OF WAVELAND ACCEPTS DELIVERY OF HER CHEVELLE CONVERTIBLE FROM JOHN GALLAGHER, SALES MANAGER AT LAMAR-LANE CHEVROLET IN BAY ST. LOUIS.

Mrs. Dixie Ashman Ortiz of Waveland wanted to buy a Chevelle Convertible ever since the 1970 models came out. Since the last car she bought was from John Gallagher, now sales manager of Lamar-Lane Chevrolet, she wanted to do the same thing when she ordered her new Chevelle Convertible. Mrs. Ortiz is very happy again with the deal. She was given by John Gallagher of Lamar-Lane Chevrolet to all of her friends wanting to purchase a new car or truck. Lamar-Lane has a big supply of 1970 Chevy cars and trucks in stock, but in case they don't happen to have just what you want they will be happy to order one for you, and you could save many dollars. Clothing, croch- ing, preserves, vegetables, fowl, livestock, fowl and fowl are among the many things that can be entered in the competition. There will be no admission charge for this big event. As soon as I learn more I'll pass it on, and I am going to start planning what I will do today.

Travis Lounge will have a free dance and free crawfish boil this coming Friday night, starting at 8 p.m. For the rest of the summer "The Miss 4" will play for dancing every Friday and Saturday night.

We went up to Hancock North Central Friday evening to the Country Music Show. A usual Tommy Moran and Jimmy Dalton along with George Day and Tommy Moran Jr. and an expert steel guitarist, Harold Cavorella, received the lions share of the applause. Old fa- vorite B.J. Johnson of Picayune was there singing some of his original songs and those of Hank Williams. A slender young blonde Annette Montgomery was also a hit during the tunes made famous by Loretta Lynn and Lee Cole and his wife, Dottie Louise did an excellent job. The crowd was not too big and those who did not go really missed a good show. The faculty of Hancock North Central are to be com- mended for bringing live and clean family entertainment to the county.

Mr. and Mrs. Fred Strome- yer of 530 Meadow Lane are very proud of their 3 grandsons, and have every reason to be, for all three are in the service of our country.

Wesley Richard Strome- yer, 4 in the Army, is now at Fort Rucker, Alabama, after a tour of duty in South Vietnam.

Elroy Richard Strome- yer, also 4 in the Army is now in South Vietnam in the thick of the action.

Roger Craig Strome- yer, airman, has recently been assigned to Lowry Air Force Base in Colorado, after finish- ing his basic training at Lack- land Air Force Base in San Antonio, Texas. All three young men are from Destrahan, Loui- siana, but are well known around Waveland and the Bay as they have spent many a summer over the years with their grandparents.

J. C. (the Barber) Schubert has a good sense of humor. A sign in his shop reads "In order not to raise the price of regular hair cuts for our customers - all happy hair cuts will be from \$2.00 to \$4.00 or \$6.00 an hour."

Visiting Mrs. Ada Edel this past week was her sister-in- law Mrs. Frank Edel of New Orleans. Mrs. Edel came over to help Miss Ada during her ill- ness. Weekend guests were Mr. and Mrs. Edgar Delcuze, also of New Orleans.

What can one do about gar- bage cans being turned over by so many stray dogs and cats? Since Camille these homeless, have multiplied, until they are becoming a health hazard. Rats are still plentiful in some sec- tions of the county especially Leshore. Looks like county officials could do something about this.

Seen at the County Music Show at North Central were Warren and Patsy Garcia and children Donna and Johnny, Linda and Emmett Lustich, Mr. and Mrs. Leo Harry, Gordon Garcia, Oliver and Joan Schaefer, and children and Mr. O'Toole, who used to head O'Toole's Band at the Old Town and Country Dance Hall.

CARMEL'S SEA SHELL, located on Lakeshore Road, near the end of the canal, will soon re-open for business after being washed away by Camille. This time the store will have tables so customers can be served.

This executive order brought a halt to deferments in those categories, except for registrants already deferred in those classifications or those who had already requested a deferment before April 23, 1970.

KANTCHA KETCHUM

By L.S. (Doc) Elliott

The cold spell that dropped down on us over the weekend hindered fishing, and crabbing. The rains of Saturday and Sunday put a crimp in playing golf. The courses were well soaked and using electric golf carts was out. An usual few die-harders braved the course however with hand carts.

Soft crabbing is still out up to par due to high winds and tides of the past three weeks which have held the tide in, making soft crabbing impossible. Hard crabs have been giving nicely and are being caught most anywhere. Fishing was Polley-Polley with some covefish caught out front and at the boys.

Johnny Seaford, Sr. and Yarns Truly made a fly catch of green trout and parrot. Sunday when the weather warmed up and there was a falling tide.

Dino McDonald and J. C. Easler had a successful trip after covefish, somewhere in outside waters. They were of also size they claimed.

Understand Herbert (Bully) Zorffling does quite a bit of fishing. Lately he has been going after perch and trout. Doing pretty good, too.

Would like to make a little correction. In mentioning some of our best fly fishermen, I omitted our fishing buddy, Jerome Carver. Jerome has been at it a long time. He catches plenty.

Jack Rutledge, like a lot of others has been off fishing for a while. Remember the old saying no work and no fishing makes Jack a dull boy. Better get on the ball, partner.

Louella and Hazel Culbreth Tracy have resumed their Monday fishing tour. They are trying to catch another 5-pound drum.

Sam Benigno and wife Jerry have been catching some hard crabs when possible. Fish heads make mighty good bait for crabs. Know where you can get some, folks.

Another couple who like to crab, I mean with traps, is Rod and Mrs. Seymour. They catch them practically in their back yard.

Mrs. Clarice Villere has returned from a visit to San Diego, California and Tijuana, Mexico. She had a wonderful time visiting her daughter, and son-in-law, Lorraine and Bob Southernland.

Unilac Systems, Inc. of Miami, Florida, making fabricated aluminum framing for mass produced housing is planning to locate a factory in this area. The system is designed for immediate erection and should help solve the housing problem, says our old golfing partner, Eddie Holmes, local representative, Frank Proctor, Emilio Willis, Eddie and Howard Maspor are members of the Pass Christian Isles Golf Club and play their share of golf.

Sorry to learn that Bob and Moll Dahlstrom are moving to St. Louis, Mo., where Bob has been transferred. Both have a lot of friends here who hate to see them go. Maybe there is some good fishing up that-a-way folks.

Leo Knight, golf pro, at Pass Christian Isles Golf course won

The Rose Oil Company Pro-Am tournament on Wednesday, May 18th, at Jackson, Miss. Lee shot a 70, had 29 putts. The course is a 72 par lay-out. Understand Lee is a better golfer than a cray fish eater. He proved that at a supper given in his honor recently.
